

FEBRUARY 2019: NEWSLETTER

Does your group publish a newsletter? If so, you can use some of the text below in your organization's newsletter to promote smart energy habits in 2019. Just copy and paste, then edit as desired:

This year we want to show our devotion to California by getting the most out of energy savings at home and around the office. Support the environment and look at ways to become more energy efficient in 2020! Find out how to help at <https://www.energyupgradeca.org/the-movement/>.
